CAPER STACKING CHAIR

BY HERMAN MILLER /

LIGHTWEIGHT, STACKABLE & PORTABLE

Caper Stacking Chairs are lightweight (the armless version with moulded seat weighs just 4.3 kg), and portable, so they can go wherever you need casual, short-term seating across a variety of spaces.

Caper's polypropylene seat and back are contoured for comfort, flexible for give, and the holes in the material allow your body to breathe, so moisture and heat dissipate, and you remain cool.

As stylish as they are versatile, Caper chairs are also available in a palette of fresh, lively custom colours. Sophisticated neutrals complement, while vibrant primary colours bring energy.
