

# Luva Modular Sofa Group

Take one look at the Luva Modular Sofa Group and you'll see the possibilities of its distinctive shape, inspired by both boxing gloves and Japanese futons. The back lifts up or moves down based on how you prefer to sit, and the modular pieces can be connected or separated. With Luva, you don't have to choose comfort over style – form and function are truly one in this incredibly versatile and visually irresistible design.

## Benefits

- **Modular:** Designed to add to, rearrange, and play around with as much as you want
- **Tufted design:** Purposeful gathering details add comfort and refinement
- **Ganging:** A freestanding bar connects the base of two seats, allowing the sofa to be easily secured or separated
